---

### **The Heart of the Industry Beats at ELES EXPO 2026**

ELES EXPO 2026 provides a premier international platform where local and global companies will showcase their latest products, innovative solutions, and sustainable technologies in the fields of electricity, cabling, and lighting. Participants will have the opportunity to establish new business connections, expand their distribution networks, and develop strategic partnerships within the sector.

---

### **Limited Exhibition Space Available!**

Due to high demand, exhibition spaces are filling up quickly. We invite all companies aiming to strengthen their position in the global market to become part of **ELES EXPO 2026** — the event that illuminates the future of the industry.

---

### **Why Exhibit?**

- Connect directly with leading companies in the sector
  - Discover new market opportunities
  - Stay up to date with the latest technologies and trends
  - Increase your brand visibility and recognition
- 

### **Summits, Panels, and Experience Zones**

Within the scope of **ELES EXPO 2026**, a series of conferences, panels, and special sessions will take place, focusing on the future of the industry. Expert speakers will share insights and visions on key topics such as artificial intelligence, energy efficiency, smart city technologies, and sustainable manufacturing methods.
