ITA - Italian Trade Agency is the government agency supporting the business development of Italian companies abroad and promoting foreign investment in Italy.

Through its headquarters in Rome, an office in Milan and a worldwide network of 69 offices in 74 countries, closely collaborating with Italian embassies and consulates, the Italian Trade Agency provides information, assistance, promotion, training and cooperation in the industrial, consumer goods and services sectors.

In Greece, the ITA has an office in the country's capital, Athens, offering a wide range of services to Italian and Greek companies.

ITA Athens engages in promotional activities and organises one-to-one meetings, conferences, and incoming as well as outgoing trade missions.

In addition, it sets up Italian pavilions at the most important Greek trade fairs, facilitating local entrepreneurs to find products and services in Italy.

CASANOVA FOOD

Casanova Food S.r.l., founded in 2013, blends the passion for fresh pasta to the challenge of making it gluten-free and lactose-free, just as good as that with gluten; so to be accessible to everyone, celiacs and gluten intolerant individuals alike.

From our passion for fresh pasta and attention to food intolerances, derives the determination to discover new businesses led us to project and realize a new factory with highly performing production lines.

We also have ready meals, flour and biscuits, always gluten-free and lactose-free.
