

"Kolašin Open Fest" Tourism Festival Program Agenda- Montenegro

Dear partners,

Hoping everything goes well there!

Prishtina REA, as the lead of the "Tourism for Future" CBC Program supported project, together with Kolasin municipality and our partners, we are working on finalising the "Kolašin Open Fest" Tourism Festival program in Montenegro.

While we are finalising the Festival program and agenda, thus, would like to share it with you, and if we could get your confirmation of potential participation of your side/team, please!

We are working with partners and related stakeholders not only to organize an exceptional "Kolašin Open Fest-Tourism Festival", but to build a strong sustainable concept, making it a traditional cross-border and international Festival too!...

We are also working with business and networking partners to ensure a huge participation, contribution and get a long-lasting ownership to local stakeholders.

If you would like to be part of the Opening Ceremony and greet the participants, please, we will put you in the program agenda too!!

In addition, please, find attached the Festival agenda too and the Facebook-branded page we have developed!!

The festival is being organized from 28-30 of June in Kolasin-Montenegro!

We are open for any suggestion from your side too!

Yours,
Meti
